Rain Fell So Sharply That Game Had to Be Called in the Middle-Was the First Contest for Both

Cambridge, Mass., April 6.—In the opening game of the season for both teams, the Harvard base ball tossers defeated the University of Vermont yes-terday afternoon by the score of five to nothing. The day was not favorable for baseball, and rain which threatened at the start fell so sharply toward the middle of the game that the contest had to be called. Five innings had been played, however, and the Crimson had secured five tallies, while the visitors had failed to score, giving a victory to

NOW

Now is the most critical period of the winter. Pneumonia, Grip and Bronchitis hold full sway. Fortify yourself against these diseases by taking Magee's Emulsion. It is a pure preparation of Cod Liver Oil, Malt and Hypophos-phites. It warms, builds up and tones your system and enables you to throw off all colds. Contains no alcohol. It is a builder - not a destroyer.

Will You Do Your Cooking on a Gas Range Next Summer?

To all people who will put in a Gas Cooking Range during the months of March and April, 1905, the Gas Company will turnish them with gas for its use entirely FREE OF CHARGE for one month after the Range is installed. This will give the people an opportunity to become accustomed to the use of the Range at the expense of the Company, while the Company will be able to keep their men employed during these dull months to the advantage of all, as after May 1st the Company will be especially busy in extending their street mains and making other permanent improvements. Liberal terms will be made to all purchasers of Ranges when necessary. Call at the office, No. 213 North Main Street, opposite Depot Square, where you will always find a full supply of Ranges and Gas Eixtures, or drop a postal to the Company and a representative will call on you.
